BASIC INFORMATION

1. How do I know if I am affected by the Lawsuit and Settlement?

You are a Settlement Class Member if your Private Information was accessed and/or acquired by an unauthorized party as a result of the Data Incident reported by Defendant in April 2024, including those who were sent a notification from Defendant of the Data Incident on or around June 28, 2024.

The Settlement Class specifically excludes: (i) Texas Retina Associates; and (ii) The judge presiding over this case and their staff and family. This Notice explains the nature of the lawsuit and claims being settled, your legal rights, and the benefits to the Settlement Class.

2. What is this case about?

This case is known as *Covey, et al v. Texas Retina Associates, et al*, Cause No. DC-24-09642, filed in the District Court of Dallas County, Texas, 101st Judicial District. The person who sued is called the “Plaintiff” and the company they sued, Texas Retina Associates, is known as the “Defendant” in this case.

Plaintiff filed a lawsuit against Defendant, individually, and on behalf of anyone whose Private Information was potentially impacted as a result of the Data Incident.

This Lawsuit arises out of unauthorized access to Defendants’ systems and certain files containing certain personal information, including but not limited to, full names, addresses, phone numbers, email addresses, dates of birth, gender, Social Security numbers, medical record numbers, clinical information, prescription information, medical information, health information, and/or health insurance information. After learning of the Data Incident, notification was mailed to persons whose Private Information may have been impacted by the Data Incident. Subsequently, this lawsuit was filed asserting claims against Defendant relating to the Data Incident. Defendant denies Plaintiff’s claims and denies any wrongdoing.

3. Why is there a Settlement?

By agreeing to settle, both sides avoid the cost, disruption, and distraction of further litigation. The Class Representatives, Defendant, and their attorneys believe the proposed Settlement is fair, reasonable, and adequate and, thus, best for the Settlement Class Members. The Court did not decide in favor of the Plaintiff or Defendant. Full details about the proposed Settlement are found in the Settlement Agreement available at www.TXRetinaDataSettlement.com.

4. Why is this a class action?

In a class action, one or more people called a “Class Representative” sue on behalf of all people who have similar claims. All of these people together are the “Settlement Class” or “Settlement Class Members.”

5. How do I know if I am included in the Settlement?

You are included in the Settlement if you were mailed written notification by Texas Retina Associates on or about June 28, 2024 that your Private was potentially compromised as a result of the Data Incident. If you are not sure whether you are included as a Settlement Class Member, or have any other questions about the Settlement, visit www.TXRetinaDataSettlement.com, call toll free 1-888-528-4541, send email to TXRetinaDataSettlement@rg2claims.com, or write to Texas Retina Data Settlement, c/o RG2 Claims Administration, P.O. Box 59479, Philadelphia, PA 19102-9479.

THE SETTLEMENT BENEFITS

6. What does this Settlement provide?

The proposed Settlement will provide the following benefits to Settlement Class Members:

Expense Reimbursement Documented Out of Pocket Expense Reimbursement: All Settlement Class Members who submit a Valid Claim using the Claim Form are eligible for the following documented out-of-pocket expenses, not to exceed \$4,000 per Settlement Class Member, that were incurred as a result of the Data Incident: (i) unreimbursed bank fees; (ii) long distance phone charges; (iii) cell phone charges (only if charged by the minute); (iv) data charges (only if charged based on the amount of data used); (v) postage; (vi) gasoline for local travel; and (vii) fees for credit reports, credit monitoring, or other identity theft insurance products purchased by Settlement Class Members between March 27, 2024 and November 30, 2026. To receive reimbursement for any of the above-referenced out-of-pocket expenses, Settlement Class Members must submit a valid and timely claim, including necessary supporting documentation, to the Claims Administrator.

Cash Payment: All Settlement Class Members may make a claim for a \$45.00 cash payment without the need to document losses incurred as a result of the Data Incident in lieu of any documented loss claims.

Identity Theft Protection: All Settlement Class Members may elect to receive three (3) years of identity theft protection, which will include one credit bureau monitoring and \$1,000,000 in identity theft protection insurance. No supporting documentation is necessary to receive this Settlement benefit.

7. How to submit a claim?

All claims will be reviewed by the Claims Administrator. You must file a Claim Form to get any money and/or identity theft protection from the proposed Settlement. Claim Forms must be submitted online **November 30, 2026** or postmarked no later than **November 30, 2026**. You can download a Claim Form at www.TXRetinaDataSettlement.com.com, send email to TXRetinaDataSettlement@rg2claims.com, or you can call the Claims Administrator at 1-888-528-4541. The unique Class Member ID and Pin that were printed on the Notice you received will be required to access the online and paper claim forms.

8. What am I giving up as part of the Settlement?

If you stay in the Settlement Class, you will be eligible to receive benefits, but you will not be able to sue Defendant and its Related Entities and each of their past or present parents, subsidiaries, divisions, and related or affiliated entities, and each of their respective predecessors, successors, directors, officers, principals, agents, attorneys, insurers, and reinsurers regarding the claims in this case. The Settlement Agreement, which includes all provisions about settled claims, releases, and Released Persons, is available at www.TXRetinaDataSettlement.com.

The only way to keep the right to sue is to exclude yourself (*see* Question 10), otherwise you will be included in the Settlement Class, if the Settlement is approved, and you give up the right to sue for the claims in this case.

9. Will the Class Representative receive compensation?

Yes. The Class Representatives will receive a service award of up to \$1,000, to compensate them for their services and efforts in bringing the lawsuit. The Court will make the final decision as to the amount, if any, to be paid to the Class Representative.

EXCLUDE YOURSELF

10. How do I exclude myself from the Settlement?

If you do not want to be included in the Settlement, you must send a timely written request for exclusion. Your request for exclusion must be individually signed by you. Your request must clearly manifest your intent to be excluded from the Settlement.

Your written request for exclusion must be postmarked no later than **October 30, 2026** to:

Texas Retina Data Settlement
c/o RG2 Claims Administration

You will not be legally bound by anything that happens in this lawsuit and you will keep your right to sue the Defendant on your own for the claims that this Settlement resolves.

11. If I do not exclude myself, can I sue later?

No. If you do not exclude yourself from the Settlement, and the Settlement is approved by the Court, you forever give up the right to sue the Released Persons (listed in Question 8) for the claims this Settlement resolves.

12. What happens if I do nothing at all?

If you do nothing, you will be bound by the Settlement if the Court approves it, you will not get any money from the Settlement, you will not be able to start or proceed with a lawsuit, or be part of any other lawsuit against the Released Persons (listed in Question 8) about the settled claims in this case at any time.

THE LAWYERS REPRESENTING YOU

13. Do I have a lawyer in the case?

Yes. The Court has appointed Raina Borrelli of Strauss Borrelli PLLC, John Nelson of Milberg, PLLC, and Charles Schaffer of Levin Sedran & Berman LLP (called “Class Counsel”) to represent the interests of all Settlement Class Members in this case. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How will the lawyers be paid?

Class Counsel will apply to the Court for an award of attorneys' fees, costs, and litigation expenses in an amount not to exceed \$1,000,000.00. A copy of Class Counsel's Application for Attorneys' Fees, Costs, and Expenses will be posted on the Settlement Website, www.TXRetinaDataSettlement.com, before the Final Fairness Hearing. The Court will make the final decisions as to the amounts to be paid to Class Counsel, and may award less than the amount requested by Class Counsel.

OBJECTING TO THE SETTLEMENT

15. How do I tell the Court that I do not like the Settlement?

If you want to tell the Court that you do not agree with the proposed Settlement or some part of it, you can submit an objection telling it why you do not think the Settlement should be approved. Objections must be submitted in writing and include all the following information:

Such notice shall state:

- (i) the objector's full name, address, telephone number, and e-mail address (if any);
- (ii) information identifying the objector as a Settlement Class Member, including proof that the objector is a member of the Settlement Class (e.g., copy of notice, copy of original notice of the Data Incident);
- (iii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable;
- (iv) the identity of any and all counsel representing the objector in connection with the objection;
- (v) a statement whether the objector and/or his or her counsel will appear at the Final Fairness Hearing;
- (vi) the objector's signature and, if applicable, the signature of the objector's duly authorized representative.

If you do not submit your objection with all requirements, or if your objection is not received by October 30, 2026, you will be considered to have waived all Objections and will not be entitled to speak at the Final Fairness Hearing.

16. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE FINAL FAIRNESS HEARING

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold the Final Fairness Hearing via Zoom on December 3, 2026 at 10:30 A.M. at the George L. Allen, Sr. Courts Building – 600 Commerce Street, 6th Floor West, Dallas, TX 75202. The hearing may be moved to a different date, time, or location without additional notice, so it is recommended that you periodically check www.TXRetinaDataSettlement.com for updated information.

At the hearing, the Court will consider whether the proposed Settlement is fair, reasonable, adequate, and is in the best interests of Settlement Class Members, and if it should be approved. If there are valid objections, the Court will consider them and will listen to people who have asked to speak at the hearing if the request was made properly. The Court will also consider the award of Attorneys' Fees, Costs, and Expenses to Class Counsel and the request for a service award to the Class Representative.

18. Do I have to come to the hearing?

No. You are not required to come to the Final Fairness Hearing. However, you are welcome to attend the hearing at your own expense.

If you submit an Objection, you do not have to come to the hearing to talk about it. If your objection was submitted properly and on time, the Court will consider it. You also may pay your own lawyer to attend the Final Fairness Hearing, but that is not necessary.

19. May I speak at the hearing?

Yes. You can speak at the Final Fairness Hearing, but you must ask the Court for permission. To request permission to speak, you must file an objection according to the instructions in Question 15, including all the information required. You cannot speak at the hearing if you exclude yourself from the Settlement.

DO NOTHING

20. What happens if I do nothing?

If you do nothing, you will not get any money from the Settlement, you will not be able to sue for the claims in this case, and you release the claims against Defendant described in Question 8.
